

Ubitquity LLC warns about unregulated fundraising schemes

Ubitquity LLC, the first enterprise-secured platform for real estate record keeping and a pioneering firm in blockchain technology, wishes to warn the general public about any unregulated fundraising schemes claiming that Ubitquity LLC is planning or engaged in a cryptocurrency launch. Ubitquity LLC is not planning a cryptocurrency launch and is not connected with any of these unregulated fundraising schemes including ICOs (Initial Coin Offerings) or SAFTs (Simple Agreement for Future Tokens). We are privately held and funded.
